BECAUSE YOU GAVE...

The scholarship I received from School of Health Professions will help me a lot by qualifying me for in-state tuition. Your generosity allows me to focus on my education without the worry of finances.

WITH YOUR SUPPORT, I CAN...

Thank you for your contribution to allow myself and other students to have the chance to decrease the cost burden of school while we follow our passion to learn how to help others through the health care industry.

WHY I CHOSE TTUHSC...

I choose TTUHSC due to the first-time pass rate success, the positive things I heard about the program, the fact that the students' rating of the professors ranked the program number one in the nation for student satisfaction, and the overall quality of the program.

BECAUSE YOU GAVE...

This scholarship will help me qualify for in-state tuition. This scholarship will help me be able to not have to borrow as many loans, which would reduce my debt once I graduate. In the end, I will be able to focus more on my patients, and giving them the best care they deserve, instead of just working for a paycheck to pay back my loans.

WITH YOUR SUPPORT, I CAN...

I am forever grateful for this scholarship. The weight that was taken off my shoulders when I received this scholarship is indescribable. I am so appreciative for your willingness to give, and help me be able to qualify for in-state tuition.

WHY I CHOSE TTUHSC...

I am aware it was my choice to go to occupational therapy school outside of Indiana, however, I realized that TTUHSC had one of the better programs for OT. In choosing to put my education first though, the cost greatly increased.

BECAUSE YOU GAVE...

Thank you very much. I greatly appreciate your kindness and willingness to help me pursue my academic goals.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me significantly with out-of-state tuition costs. I will be able to focus on my studies instead of financial issues.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of the faculty. On the day that I interviewed, I could tell the faculty at TTUHSC truly cared about the well-being and academic success of each student. I have greatly enjoyed the hands-on opportunities and community experience I have been exposed to in this program. I am happy to say I made the right decision and know that this program will set me up for success in my career as an occupational therapist.

BECAUSE YOU GAVE...

I am forever grateful for the part you are playing in making my dream come true. I spent a lot of time working and saving so that I could make a dent in what I will owe for school, and your generous gift has lifted a weight from my shoulders. Thank you for your part in what I am sure will be the most rewarding time of my life. I will strive to pay your generosity forward to the patients I will encounter in my future practice.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me more than I can even say! I am coming from out of state, but because of these scholarships, I will be able to pay in-state tuition for the first three semesters of my graduate degree. I will be in school full time and all of my expenses will be paid for with loans. Every loan I am able to avoid will reduce the amount of debt I will have post-graduation.

WHY I CHOSE TTUHSC...

I have known several people who attended TTUHSC, and I have never heard a bad thing about the school. I think that the mix of classroom learning and hands-on clinical work is exactly the approach that will help me to best serve my future patients.

I am beyond grateful for your generosity. This scholarship is allowing me to move forward with my professional dreams without added financial stress. My family and I would love to thank you and let you know how meaningful this scholarship is to us. It is added motivation for me to excel in this program.

WITH YOUR SUPPORT, I CAN...

This scholarship will allow me to focus on my studies in my program without being as stressed about tuition. It will also help pay for books, school supplies, and other academic expenses that I might have had to cover otherwise with loans. I am extremely grateful for this aid, and I appreciate how much it is helping me during this time in my academic career.

WHY I CHOSE TTUHSC...

TTUHSC's program has everything I am looking for as I pursue my master's degree. I was thrilled to find out that the classrooms are located right outside a major hospital. Having a hospital right next to a classroom setting is a dream come true to me, as I am a very hands-on and visual learner. Having access to an on-site hospital will be the perfect opportunity for me to immerse myself in a medical environment. TTUHSC offers endless opportunities that will allow me to be exposed to a variety of different settings and a diverse range of patients. This program will mold me into the professional and competent speech pathologist that I strive to become.

BECAUSE YOU GAVE...

I would like express my deepest thank you. Through your incredible generosity, I am able to pursue my dreams. As a Louisiana resident and undergraduate Spanish major, I hope to contribute to the university's increasingly diverse profile. Words fail to adequately express my appreciation, but I am forever indebted to you for allowing me to make a difference in the lives of children and families.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me tremendously by alleviating the financial strain of my education, especially as an out-of-state student. Attending TTUHSC was always my first choice, but doing so would not have been possible without this aid. As a student with a heart for service, receiving this scholarship has reminded me of the importance of giving back to the community, a principle that guided my decision to become a speech-language pathologist. Because of this award, I am confident that I will continue to serve others in the future, and I am eternally grateful for the chance to attend such a prestigious university.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of its outstanding reputation for promoting interprofessionalism in medical settings. Although I conducted extensive research on the university and viewed photographs prior to applying, I was amazed by the state-of-the-art facilities the moment I arrived for my interview. The sense of teamwork was overwhelming, and a group of medical students who could sense I was lost kindly paused to walk me directly to the speech clinic. As a TTUHSC speech-language pathology student, I look forward to working with other health care professionals found on patient care teams.
