

# EMORY BRATTON

Texas Tech University Health Sciences Center  
School of Health Professions

## BECAUSE YOU GAVE...

Thank you so very much for your generous donation. Because of you, I will be able to attend this school year with peace of mind knowing that I have monetary support, without the burden of debt. That freedom is such a gift, and I will be forever grateful to you and your family for your generosity. I plan to pay forward your kindness one day to other students in the medical arts and sciences field like myself.

## WITH YOUR SUPPORT, I CAN...

This scholarship will allow me to pay for my education without the worry of additional student loan debt. I will also be able to work fewer hours, not only to focus more on my studies but also to be able to travel home and spend time with my family. My father is currently undergoing continuous medical treatments, and this scholarship will allow me to visit him more frequently.

## WHY I CHOSE TTUHSC...

I chose TTUHSC because the faculty and staff have always made me feel valued and have been willing to help me pursue my degree in any way that they can. The entire TTUHSC community is a wonderful group of like-minded people working together to provide the best health care to all patients for years to come.
