Texas Tech University Health Sciences Center
School of Health Professions

BECAUSE YOU GAVE...

Thank you so much! This scholarship will not only help me fiscally but also mentally and emotionally. My first year of graduate school was incredibly challenging for a variety of reasons, causing me to constantly feel stressed and overwhelmed. This gift will aid in putting my mind at ease for the upcoming semesters. Because of your generosity, I'm no longer required to push myself to the limit to make ends meet, while simultaneously striving to perform my best clinically and academically. I can't express just how grateful I am!

WITH YOUR SUPPORT, I CAN...

This scholarship will allow me to pay my rent for an entire year. That may not sound like much, but it is actually the greatest blessing. It's difficult to explain just how beneficial this aid is for me. I will be able to focus the majority of my energy and efforts on finishing my academic career over the next two semesters. It is such a relief to know I won't have to take out another personal loan or pick up extra jobs on the weekends simply to get by. I am so thankful for the peace of mind this aid has provided me.

WHY I CHOSE TTUHSC...

After visiting TTUHSC for my interview and pestering many faculty and staff members with questions during my decision-making process, the school simply felt like the place I needed to be. In fact, I turned down several of what I originally thought were my dream schools to attend. I loved the medical focus of the program, the enlightened professors, and slower-pace of Lubbock for such a stressful time in life. I will be forever thankful for the amazing program I chose to attend!
