**DALLIN LOW**  
School of Medicine

## BECAUSE YOU GAVE...

I just want to extend a huge thank you for these scholarships. It truly makes a difference for my wife and I as we move towards our future goals, especially our goal of starting a family and for me to graduate from medical. I hope to one day pass on the kindness that I have received by helping future students achieve their goals of receiving quality and affordable education. This really does make a big difference in our lives, thank you again.

## WITH YOUR SUPPORT, I CAN...

These scholarship funds will go towards paying my tuition for the 2nd year of medical school. These funds are greatly appreciated and will help my wife and I reach both our financial and educational goals. It not only helps relieve the financial burden of paying for school, but it helps us feel more comfortable as we pay for our every day necessities.

## WHY I CHOSE TTUHSC...

One thing I love about TTUHSC is that it really feels like we are a family here. Everyone is very supportive of each other, and I definitely feel like there are many people I can turn to for help if needed. This school will always hold a special place in my heart as it has helped me learn and grow so much. I strongly feel that the knowledge and skills I am receiving from my TTUHSC education will help me become a competent physician.
