BECAUSE YOU GAVE...

Thank you so much for investing in my education and future. It is through the generosity and grace of donors such as yourself that the future blooms, and I appreciate you assisting me in my time of need. I look forward to spreading the good grace and generosity forward in the future.

WITH YOUR SUPPORT, I CAN...

This scholarship provides tremendous support in affording the expenses and fees associated with medical school and living. I can afford to cover my health insurance for the year on top of my school tuition, and I also have been able to afford my apartment bills and expenses associated with living, especially in difficult times like the pandemic of 2020.

WHY I CHOSE TTUHSC...

TTUHSC has an amazing culture and the people in the program are the biggest draw. I remember when I interviewed here, I had never been to West Texas before. I remember thinking that I really fit in with the students and faculty and felt like I was at home. After spending almost 4 years here, I can safely say that it indeed has been a familial experience that I have enjoyed it wholeheartedly.
