BECAUSE YOU GAVE...

Thank you so incredibly much for providing this amazing opportunity. I plan to use this scholarship to lessen the financial burden of my medical education. This will help me achieve my goal of giving back to the community through training to be a family medicine physician to underserved areas and continuing my role as a foster mom.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me achieve my goal of becoming a rural family medicine physician. I will now be able to afford question banks, textbooks, and other study materials to further my education. This scholarship will also lessen the burden of residency applications. I am so honored to receive this scholarship.

WHY I CHOSE TTUHSC...
