BECAUSE YOU GAVE...

I greatly appreciate your contribution to my own education, as well as your commitment to higher education. Thank you so much for this scholarship. It truly allows me to be successful in my passion in life and care for others. My husband and I have faced several financial hardships the past few months, but thanks to this scholarship, the burden of paying for my education is not something else that we have to dwell on. I sincerely thank you for that.

WITH YOUR SUPPORT, I CAN...

This scholarship will allow me to pay for part of my tuition and textbooks that I will use for my clerkship NBMEs and Step 2. These tests have a large impact on future career opportunities available to me, and I am grateful to have the opportunity to have resources that will give me the greatest chance of success.

WHY I CHOSE TTUHSC...

As someone that grew up in Amarillo, TX, it was important to me to attend a school that allowed me to care for those in the same community that shaped who I am today. TTUHSC has given me that chance while being supported by my family close by. It has been the perfect environment for me to learn in.
