BECAUSE YOU GAVE...

Thank you so much for this scholarship, it truly makes a huge difference for me! I am passionate about dedicating my time to underserved communities as both a healthcare provider as well as an advocate. These funds will enable me to serve the community sooner instead of worrying about paying back loans. I am currently on the Free Clinic Leadership Team, and hope to continue serving those who need it most throughout residency and throughout my career!

WITH YOUR SUPPORT, I CAN...

I am incredibly grateful for this scholarship! The funds will help me with paying for housing and tuition. Since I am passionate about community service, the financial support will enable me to focus on service and academic pursuits instead of finding part-time work to pay my bills. This scholarship certainly helps to reduce financial stresses during the COVID-19 pandemic.

WHY I CHOSE TTUHSC...

Despite receiving multiple medical school acceptances, I decided to come to TTUHSC SOM because of the wonderful interview experience, unique programs such as the MD/MBA dual degree, and the generous scholarship opportunities. The faculty at TTUHSC are truly responsive to student feedback and the students are supportive of one another. I am grateful each day to be a part of such a collaborative community! I have learned a lot from my time at TTUHSC, both in medicine as well as other realms, through my participation in the MD/MBA program and Free Clinic Leadership Team.
