BECAUSE YOU GAVE...

I want to thank you very much for the opportunity to fulfill my dream of becoming an emergency medicine physician. This generous scholarship has helped to alleviate some of the financial stress as a medical student. I am tremendously grateful, and I intend to use this scholarship to fund my education in order to continue to give back to my community.

WITH YOUR SUPPORT, I CAN...

As a student who grew up with a single mother, financing my dream of becoming a physician has been difficult. However, with this scholarship, I will be able to pay for my tuition and housing. This scholarship will relieve some of the financial burdens, and help me to focus on my studies in order to become the best physician that I can be.

WHY I CHOSE TTUHSC...
