BECAUSE YOU GAVE...

Thank you for your generosity. I always envisioned my goal even as a child, but never realized just how expensive it was. Thanks to donors like yourself and great institutions such as TTUHSC, it makes getting a medical degree a lot more affordable and doable. I will be a first generation doctor in my family, this wouldn't have been possible without the tremendous support I've gotten from people all over. Thank you, and may God bless you.

WITH YOUR SUPPORT, I CAN...

I want to sincerely thank you for your generosity in helping me achieve my goal of becoming a physician. I aspire to one day be a family medicine physician and help out small communities throughout Texas just like everyone has helped me. Thank you for believing in me and allowing me to chase my dreams of being a physician.

WHY I CHOSE TTUHSC...

I chose TTUHSC due to the incredible FMAT program that it has. I have always been interested in family medicine, and when I found out I could do it in a shorter amount of time with scholarships included, I was taken aback. TTUHSC is innovative and always exceeding my expectations in everything. I am beyond glad I am a student at this awesome medical school.
