BECAUSE YOU GAVE...

Thank you for supporting the scholarship programs at TTUHSC. They enable veterans like me to attend school and set-up my family for a successful future. I hope to be able to support the West Texas entrepreneurial community through volunteering and financial support of the Texas Tech Innovation Hub in the future.

WITH YOUR SUPPORT, I CAN...

These scholarship funds will help me support my family of 5 without using all of our savings. I will be able to spend more time focused on my studies, instead of working part time jobs. My kids will be able to participate in activities that they would have otherwise had to skip. Thank you for helping my family and I as I chase my dreams.

WHY I CHOSE TTUHSC...

TTUHSC was an obvious choice for me. We loved the family centered nature of the TTUHSC representatives we interacted with during our campus visits. We love the West Texas community and the friendly small town feel of Lubbock. The school has been very flexible and supportive of my family and created a learning environment, in which I can support my wife and children while focusing on my studies.
