BECAUSE YOU GAVE...

Thank you for making this scholarship possible. Financial concerns are one of the biggest problems for many medical students across the country and you all have lent an incredible hand. My goals are to become a provider and leader in a community someday. My biggest goal is to become that leader or mentor in whichever society I am a part of. That is my greatest passion and this scholarship serves as a foundation to make this possible.

WITH YOUR SUPPORT, I CAN...

I plan to use the scholarship funds for residency applications. Applying to programs can be incredibly costly and this serves as a much needed alleviator. In addition to residency applications, the cost of living in this area is appreciable. These funds go a long way towards making this area a hospitable environment for us all. Thank you!

WHY I CHOSE TTUHSC...

I chose TTUHSC because of its proximity to home (El Paso), cheap cost of living, and hospitality on my interview day. I am thrilled to have been able to be a part of this program and hope I can continue to see it grow over the years. Thank you so much for the opportunity.
