BECAUSE YOU GAVE...

I am very grateful to the donor of this scholarship. You have contributed towards my goal in getting a medical degree and I strongly appreciate it. I hope one day, I too am able to give back to aspiring medical students. Thank you very much for helping to make my goal possible.

WITH YOUR SUPPORT, I CAN...

This scholarship will be very helpful towards the payment of tuition and fees. I will also use it for my living expenses. It has helped reduce the amount in loans I will have to take for the school year. It also gives me peace of mind to know that somebody is invested in my future.

WHY I CHOSE TTUHSC...

I knew I wanted to go to TTUHSC after my interview weekend. Just when I got into Lubbock the night before, something just felt right. It felt like I was supposed to complete my medical program there. I chose TTUHSC out of the other medical schools I was accepted in because the interview weekend made me feel so welcome. The current medical students I talked to also truly cemented my decision.
