

# YOUR *life* • OUR PURPOSE

**MATTHEW YOUNG**

## BECAUSE YOU GAVE...

Thank you for your generous support of my education. This simple “thank you” seems insufficient to express how much of a difference your gift will make for me and my family. You are allowing my wife and I to have less loans to pay back, which means that we will be better parents to our children. As I strive to become the best physician, I promise to remember your generosity and pay it forward. I promise to serve my future patients and community in the best way possible and to always remember how you made my career possible.

## WITH YOUR SUPPORT, I CAN...

I will use this scholarship to help pay for my tuition and other school related expenses, such as study books. With the rising costs of medical school, these funds are incredibly valuable as my wife and I have 2 children, and this takes stress off our shoulders. I plan to pursue a career in family medicine, which is generally a lower-paying specialty. Now I'll have less concern about my financial situation and will be able to take a job without concern for pay, but rather where I'm needed and can make the most difference for those in my community.

## WHY I CHOSE TTUHSC...

I chose TTUHSC because it felt like home. I realized very quickly when I came to Lubbock for my interview that the faculty and students were friendly, bright, driven, and down-to-earth. I was delighted when I was accepted to attend here and have been grateful to be here since day one. I know I am more than just another student here, and the faculty, staff, and TTUHSC community makes sure that I know that I matter. TTUHSC has exceeded all of my expectations, and I know I made the right choice coming to TTUHSC.
