BECAUSE YOU GAVE...

Thank you so much for this generous scholarship. It feels great to know that someone is willing to give money in order to help advance my dream/career. Being able to leave school with lower debt will make my transition to a practicing doctor much easier. I hope to one day pay it forward to other students who also greatly benefit from a scholarship much like this one.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me fund my dream of being a doctor. By having my tuition greatly reduced I will be able to graduate with a much smaller debt burden. The money also allows me to pay for all the various licensing exams I have to take, which are quite expensive. Thank you for supporting me as I continue my education.

WHY I CHOSE TTUHSC...

Growing up in Texas, I wanted to stay in state. During my interview at TTUHSC SOM, everybody was so friendly and made me feel welcomed. I also liked that on some clinical rotations you get to work at community clinics to get a feel for what it is actually like in practice outside of a hospital.
