BECAUSE YOU GAVE...

I want to give my sincerest gratitude for helping myself and other students. Because of this scholarship, I am able to continue on my journey towards becoming a physician knowing that the financial burden of this journey has been lessened in an immense manner. My family and I truly thank you, and I will remember your generosity throughout my education and career.

WITH YOUR SUPPORT, I CAN...

I plan to use this scholarship to help alleviate some of the financial burden that comes with having to pay tuition and fees. I've wanted to be a physician for many years, and you are allowing me to chase that dream. Thank you for believing in me and for allowing me to focus more on my studies.

WHY I CHOSE TTUHSC...

The collaborative and supportive atmosphere of the TTUHSC along with the priority to train its students to become the best physicians possible were significant factors in me choosing the TTUHSC for my medical education. Attending Texas Tech University as an undergrad allowed me to witness these attributes of the TTUHSC in an up-close manner and instilled in me the desire to become a part of the TTUHSC community. Furthermore, I grew up in West Texas and have come to love what the Texas Tech University System stands for.
