BECAUSE YOU GAVE...

Thank you for your contribution. It will be a tremendous help. I hope to pay it forward in the future.

WITH YOUR SUPPORT, I CAN...

This scholarship will allow me to receive in-state tuition as an out-of-state student, thereby making my medical school tuition even more affordable than it already was. I hope to pursue a career in Family Medicine, and I will feel more comfortable pursuing this career knowing that I will have less debt to pay back.

WHY I CHOSE TTUHSC...

I chose TTUHSC for the cost of attendance, the location (I come from a town about the same size as Lubbock), and for the relationships. I have friends who are attending or will be attending TTUHSC, and it will be great to have a support system already in place.
