BECAUSE YOU GAVE...

I cannot thank you enough for your generosity and commitment to the students of TTUHSC. Medical school is inevitably expensive and any contribution is extremely helpful. Thank you for lessening my financial burden so that I can focus my attention toward my studies.

WITH YOUR SUPPORT, I CAN...

This scholarship will lessen the burden that comes from repaying loans. It will allow me to continue my education with less stress and an ability to buy additional resources.

WHY I CHOSE TTUHSC...

I received my undergraduate degree at Texas Tech University and became very involved in the Lubbock community, which I wanted to continue during medical school. My family also recently moved to Lubbock, and I wanted to be close to them. TTUHSC is an incredible institution, and I am certain I made the right choice.
