BECAUSE YOU GAVE...

This scholarship will greatly reduce the financial stress of medical school and allow me to focus on my education. Having the opportunity to study with less external issues to worry about will ultimately allow me to become a better doctor.

WITH YOUR SUPPORT, I CAN...

I just want to say how much I appreciate this scholarship and how it is allowing me to pursue my dreams of becoming a physician. The funds I am being awarded are allowing me to only focus on my education and are reducing external stressors. Ultimately, I will be able to put my attention on becoming a better doctor and helping the community around me.

WHY I CHOSE TTUHSC...

TTUHSC has an awesome collaborative environment where students get the chance to become a part of important medical hubs in West Texas, which is what drew me here. Having the opportunity to serve a critical role for an underserved area while still in medical school is a rare opportunity. Furthermore, the collaborative environment allows the students of TTUHSC to become great together.
