BECAUSE YOU GAVE...

I am supporting myself through medical school and this scholarship will help ease the burden of finances during school.

WITH YOUR SUPPORT, I CAN...

Thank you will never be enough!!! Though it may not seem like it, you have helped so much in helping me achieve my dream to be a physician.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of the community and the familial atmosphere that it has. I come from a small undergraduate institution and I want to be in a close knit community of people that can encourage one another to a common goal.

BECAUSE YOU GAVE...

I would like to thank you for believing in me and for playing a direct role in supporting my dream. You are helping to not only advance my education but also to advance health care as a whole. I will continue to work hard and apply myself so that your contribution will not be in vain. I hope to similarly give back one day as well.

WITH YOUR SUPPORT, I CAN...

This scholarship will provide much-needed financial comfort while I strive for success in medical school. It will ease my stress in the future, as I know my burden of debt is not as great. The aid will also ease the pressure on my family to provide for me while I am a student. With all this taken care of, I will be able to perform at a higher level and strive for success.

WHY I CHOSE TTUHSC...

As an immigrant that grew up in various melting pots ranging from inner-city New York to Houston, I have a love for cultural diversity. As a medical professional, I will strive to provide cultural and religious based care to my patients. I wanted to attend a school that would prepare me for this work and provide a diverse student body from which to learn. TTUHSC has been my first choice for many years because of how closely its mission aligns with mine. It will be my greatest honor to walk its halls and see my dream come to fruition.

BECAUSE YOU GAVE...

Becoming a physician is my greatest goal in life. It means I will be able to contribute to society in a way that complements my interests and passion for science and progress. I struggled financially for the majority of my life and look forward to the day I can provide excellent health care to underprivileged communities. Your scholarship will help me realize this dream by providing financial support during my schooling. Thank you for your generosity; I will continue to work toward my goal with determination and purpose.

WITH YOUR SUPPORT, I CAN...

The scholarship will help decrease the financial burden of medical school and allow me to afford my tuition. I will have the ability to pay for the schooling I require to become a medical doctor and aid people in underserved communities.

WHY I CHOSE TTUHSC...

I chose TTUHSC because it was clear to see the medical school is invested in its community and students. I also preferred TTUHSC's location over other larger metropolitan areas. I enjoy the rural setting of West Texas and the unique challenges of a large hospital that serves surrounding counties.

BECAUSE YOU GAVE...

Your generosity is such a blessing! The monetary aspect is huge but perhaps even more significant is what this aid does for my confidence and peace of mind. I know I am about to face many challenges in these next few years, and I am so fortunate for people like you who are willing to help me with some of my future burdens.

WITH YOUR SUPPORT, I CAN...

With this scholarship, I will be able to cover the prices of my books and necessary medical supplies. I'm so thankful to have any help I can get in this first year, and I hope to put it to good use by studying hard and purchasing all that is necessary for my success as a student.

WHY I CHOSE TTUHSC...

My biggest reason for choosing TTUHSC is the quality of people I met while visiting the school. I was only there for a few days, yet met some of the nicest individuals I have ever encountered. I am honored to be part of such a respectful campus and familial atmosphere, and I know I am receiving an incredible education.
