## BECAUSE YOU GAVE...

First and foremost, my sincerest gratitude for your donation that helps me pursue my dreams with less of the stress that comes with student loans. You set an example of selflessness, and efforts like yours help keep the spirit and culture of TTUHSC alive. I will use this scholarship as motivation and incentive to become the best medical student and doctor I can be. It is also my hope to one day be in a position to donate, as I recognize the relief a scholarship provides to a student in financial need.

## WITH YOUR SUPPORT, I CAN...

Being a first-generation college student and the first of my seven siblings to pursue a graduate degree has been a rewarding yet financially challenging path. My parents have helped me in ways they could; yet I was required to take out student loans for my undergraduate education and plan on financing medical school the same way. Receiving this scholarship gives me the freedom to focus less time on work and more time on becoming a better medical student. It will give me flexibility to pursue my dream: becoming a family medicine or endocrine doctor and returning home to serve my family and community in Rockne, Texas.

## WHY I CHOSE TTUHSC...

For the last four years, I have had the opportunity to immerse myself in the TTUHSC community working as a tour guide on campus, a transfer ambassador, and a volunteer in the Family Medicine, Internal Medicine, and Ophthalmology departments at TTUHSC. This past year, I've been working as a medical scribe in the Texas Tech Physicians Orthopaedics department. I've had the opportunity to witness firsthand the culture of inclusiveness, hard work, and determination that embodies TTUHSC, and I knew it was the place for me.

## BECAUSE YOU GAVE...

Thank you. I so appreciate your generosity and willingness to help me in my journey. You are helping not only me but also those I will have the chance to serve as a physician.

## WITH YOUR SUPPORT, I CAN...

I am uncertain I will be able to receive any other financial aid for this academic year, so this scholarship will help me tremendously as I try to cover the extensive cost of medical school. Every amount helps, and I will be encouraged and motivated to work hard and be worthy of this help.

## WHY I CHOSE TTUHSC...

Having worked at UMC for nearly three years, then an additional three years in the TTUHSC Department of Surgery, I have grown to know and love TTUHSC. The faculty and staff are all extremely warm and encouraging to students and residents. I am proud of the culture of service and excellence that has been forged at the school, and I am excited to contribute to it. I am unbelievably fortunate to be obtaining my third degree from TTUHSC! Wreck 'Em!
