## BECAUSE YOU GAVE...

Thank you very much for awarding me this scholarship. I am very appreciative of your generosity, and it will provide improved financial stability and comfort during the journey that is medical school. I am so grateful!

## WITH YOUR SUPPORT, I CAN...

This scholarship will allow me increased financial stability during the school year, including the ability to pay house payments, buy the groceries I need, and pay various other bills.

## WHY I CHOSE TTUHSC...

Earning my undergraduate degree at Texas Tech University fostered an allegiance to the Texas Tech University System, West Texas, and the individuals that live in this region of our state. I could think of no better place to pursue a medical education.
