## BECAUSE YOU GAVE...

Thank you so much for your contribution to my education. Your generosity is greatly appreciated, and I hope to one day similarly contribute to scholarship funds so that I can help a student as you have helped me. Thank you again for your help in reaching my scholastic goals.

## WITH YOUR SUPPORT, I CAN...

Because I am paying for medical school exclusively with loans, every bit of aid helps significantly. Every scholarship dollar is one more dollar I won't have to repay later with interest. I greatly appreciate this contribution toward my education, because I see how helpful it is in the long run.

## WHY I CHOSE TTUHSC...

I earned my undergraduate degree at Texas Tech University and truly enjoyed living in Lubbock. The city is wonderful, and the people are all friendly. I'm extremely fortunate to spend at least my first two years of school living in this city.

### BECAUSE YOU GAVE...

I would like to say thank you. I am so grateful for this scholarship and for your willingness to support my education.

### WITH YOUR SUPPORT, I CAN...

This scholarship will go toward tuition and academic expenses. I will be taking out loans to pay for medical school and any amount greatly helps lighten my financial burden.

### WHY I CHOSE TTUHSC...

The most impressive aspect of TTUHSC is the close-knit community. The faculty, staff, and fellow students are all pulling for you to succeed, and I know this type of environment will be beneficial to me.
