Texas Tech University Health Sciences Center
School of Medicine

BECAUSE YOU GAVE...

My family is grateful for the scholarship that will assist us with medical school tuition. We are appreciative of the support.

WITH YOUR SUPPORT, I CAN...

I am extremely thankful for your generosity. Medical School is expensive, so having people willing to provide financial assistance is really awesome! I will make sure the scholarship is used toward my tuition and will go to great use. Thank you again.

WHY I CHOSE TTUHSC...

I went to TTU for my undergrad and TTUHSC is a great place to be. The faculty and staff care about each other and want us to be successful. I had a great feeling of comfort during my interview day and believe I chose the right city for my family.
