

## School of Medicine

## BECAUSE YOU GAVE...

This scholarship will allow me to focus less on how to pay for my education, and focus more on my education. Thank you for your generous support.

**WITH YOUR SUPPORT, I CAN...**

I want to say thank you. Not only does the money help financially, but it really feels like someone believes in you when you receive a scholarship!

## WHY I CHOSE TTUHSU...

The environment was supportive, and the culture was one of helping each other improve. I really loved the people that went to medical school here.

## BECAUSE YOU GAVE...

Thank you so much! Your donation has given me peace of mind and will allow me to perform at a high level in my rotations. Your gift will ultimately allow me to become a physician and help others as you have helped me.

## WITH YOUR SUPPORT, I CAN...

This scholarship will help me tremendously. I have already had to buy several medical items this year in order to succeed and meet professionalism requirements. On top of that, my 5-year-old son is beginning kindergarten in August, which comes with additional costs. I was going to struggle to pay for health insurance, my Step 2 exam, and other expenses, especially as I have maxed out the amount of loans I am able to take out. This scholarship will allow me to complete another year of medical school and greatly reduce my burden.

## WHY I CHOSE TTUHSC...

I believe Texas Tech University Health Sciences Center School of Medicine is the best possible place to receive an education. Every single person there wants to see students succeed and is willing to help in any possible way. At one of my medical school interviews, the school seemed great and the education impressive, but the students looked miserable. Everyone at TTUHSC seemed happy and to be enjoying their time there, and I knew it was the place for me.
