BECAUSE YOU GAVE...

I want to express my appreciation and gratitude for your donation. I assure you that I will not let your generous gift go to waste, and I will maximize my opportunities while at TTUHSC.

WITH YOUR SUPPORT, I CAN...

This scholarship will make it much easier to pay off the loans I will accumulate while I am in medical school. I will be able to take my mind off my financial concerns and focus on academics.

WHY I CHOSE TTUHSC...

TTUHSC has established programs that are respected across the state and country. It was evident from my interview and orientation that I will be trained to be the best physician possible. The faculty and staff at the school are supportive and care deeply about the well-being and development of their students. Above all, TTUHSC is incredibly affordable compared to many other medical schools.

BECAUSE YOU GAVE...

I can't thank you enough for the support you have given me in actualizing my goals. I am grateful for your compassion and charity. I will continue to make the greatest effort in my courses to show you how much I appreciate the scholarship you have given me.

WITH YOUR SUPPORT, I CAN...

The financial support I will receive from this scholarship will alleviate much of the financial stress that I have. Medical school is a huge investment and being able to receive help like this means a lot.

WHY I CHOSE TTUHSC...

I chose TTUHSC because the administration was welcoming and helpful. All the students said that TTUHSC faculty and staff are very helpful and that the environment is encouraging.
