

YOUR *life* • OUR PURPOSE

TAYLOR BROOKS
School of Nursing

BECAUSE YOU GAVE...

From the bottom of my heart, thank you. Education has been my anchor throughout life, and to be able to attend such an established university and receive the quality of education I have thus far is a blessing I never take for granted. I am only in the first steps of what I hope to be a journey of continued education and providing compassionate care, however I know that success starts here, in the first steps, and I thank you for providing me with assistance to continue moving forward.

WITH YOUR SUPPORT, I CAN...

This scholarship will allow me to purchase an online medication resource needed for clinical that I was unable to buy due to financial strains. I will now have the means to purchase the program needed and provide myself with the same resources available to my peers. These funds will also assist me in paying off a short term loan I'd taken out through the university to fund my tuition.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of its reputation as a school that produces high caliber nurses and the competitive nature of admission. TTUHSC has provided me with a sense of community and an environment of like-minded individuals all motivated by the same desire as me, to heal and help. I feel I am truly receiving the best education that can be provided and I can not imagine learning from, and growing with, anyone other than the amazing professors and students of TTUHSC.
