

BRIDGET OWONIFARI

School of Nursing

BECAUSE YOU GAVE...

I want to say a very big thank you for awarding me this scholarship, you have allowed me more time to focus on my studies by decreasing my financial hardship. You have helped me get closer to earning my nursing degree. Your generosity is an inspiration to me. I will forever be grateful.

WITH YOUR SUPPORT, I CAN...

This scholarship is making it one step easier to achieve my dream as a registered nurse. It will help me cover some expenses for my education. I would be able to afford textbooks and some other school supplies for the upcoming semesters and allow me to devote more time to my studies.

WHY I CHOSE TTUHSC...

I chose Texas Tech University Health Sciences Center because the vision of this institution met my wants and needs. Since I started my first semester at TTUHSC, my expectation has been exceeded. TTUHSC offers hands-on learning and the faculty and staff of this institution are professional and willing to guide me to achieving my dream as a registered nurse.

YOUR *life* • OUR PURPOSE

CHELSEA MCMULLEN
School of Nursing

BECAUSE YOU GAVE...

Thank you to the Foundation for their extreme generosity. I know, without a doubt, that I would struggle to achieve my educational goals without the generosity of donors offering their support to students. I am extremely grateful to be chosen as a scholarship recipient and hope that I one day can assist future students in achieving their goals.

WITH YOUR SUPPORT, I CAN...

These scholarship funds will be used to cover my monthly living expenses such as rent and utilities. This extra financial support decreases the pressure to work extra hours in order to remain financially stable. Which in return allows for increased study time that is necessary in order to achieve my educational goals.

WHY I CHOSE TTUHSC...

I chose TTUHSC primarily based upon the tremendous amount of recommendations I received about the program from former School of Nursing students. To me, for students to succeed in a rigorous program and still praise/recommend the program to others speaks volumes about the commitment that the program and staff has for the success of their students. I also chose to attend TTUHSC after learning of the impeccable NCLEX success rate for graduating students.

YOUR *life* • OUR PURPOSE

RICHARD WHITE
School of Nursing

BECAUSE YOU GAVE...

I am a first-generation college student, it is not common for people in my family to attend college or further their education. Careers in my family are usually outdoor manual labor, and the fact that I chose to NOT pursue a similar path, has not led to the fullest support I believe I could receive from my family. This scholarship gives someone like me, the opportunity to pursue what I am truly passionate about and what matters to me. It means the world to me that I can pursue a career as an emergency room nurse and help others.

WITH YOUR SUPPORT, I CAN...

This scholarship will allow me to purchase a new laptop, one that I have been needing for quite a while now. This comes at the perfect time, due to the fact that we are all currently online due to COVID-19; this makes a laptop a priority. Although I have family who is supportive of my education, I am solely responsible in terms of funding it so it can be difficult allocating living expenses as well as things that are needed for school.

WHY I CHOSE TTUHSC...

I chose Texas Tech when I graduated high school, because I had a band director who was an alumni of the school. He had become an excellent mentor and good friend who had such a love for the college he attended; he never hesitated to tell me stories and about all of the traditions that came with being a Texas Tech Red Raider. Texas Tech University Health Sciences center is the extension of what Texas Tech stands for and the mission for upholding those standards into the healthcare community.
