BECAUSE YOU GAVE...

I would like to thank you for the generous donation! This year has had a serious financial impact on my family and all I had saved up went towards bills to make ends meet. I honestly didn't know how I was going to make it through the rest of these 3 months with funds being low in my account. I am a strong believer in Christ and I believe his timing is perfect. Thank you for bearing the fruits of your labor in my life to help care for our community!

WITH YOUR SUPPORT, I CAN...

This scholarship will help to relieve some financial stress during my last semester of nursing school. I plan to use the funds to pay for the NCLEX test for my nursing licenses. Any remainder funding will go to bills and/or any extra tools for studies to help me become successful at passing the first time for the NCLEX.

WHY I CHOSE TTUHSC...

At first, I had planned to attend a community college in my hometown. When I found out that TTUHSC was located in the Permian basin I had to look into it. I was interested in the school because of the successful passing rate on the NCLEX. I thought that maybe instead of just going for my associates I should go for my bachelor's. It was one of the best decisions to ever make. TTUHSC cares, the staff cares about our education, our physical and mental well being for the program!!

BECAUSE YOU GAVE...

I am beyond thankful and honored to have been selected for this investment. I will use my nursing degree and skills to give back to the community and the ones in need to promote health. I also plan on traveling around the world providing my skills at no cost. That has always been a dream of mine that I will one day experience. This investment won't stop with me, but only grow and flourish with my patients and community. Thank you for trusting in me and my future aspirations.

WITH YOUR SUPPORT, I CAN...

I am a first generation Texas resident pursuing higher education in nursing. When it comes to my education I have a grounded support system, but when it comes to funding my education I take the responsibility. This scholarship will help me tremendously to fund my tuition debt, school supplies, and other expenses I have while being unemployed for nursing school. It will also take one less worry off my shoulders and allow me to achieve my academic goals freely. Lastly, it will give me a bigger opportunity to focus on my courses and class work.

WHY I CHOSE TTUHSC...

TTUHSC School of Nursing provided the best of the best opportunity for me to achieve my goal of becoming a nurse. It had the state of the art educational facilities, amazing hands on stimulation centers, and many networking resources to expand my skills/education. Then the cost of this institution was reasonable for their high standards of academia. Lastly, the location was close to home here in Odessa Texas, allowing me to be with family and friends.
