BECAUSE YOU GAVE...

I am so thankful that this scholarship is available for students like me. Students that may be first-generation college students who are trying to show their own children that they can follow in their mother's footsteps. This scholarship allows me to have the resources I need and I hope that one day I can contribute to other students who need assistance. This scholarship means so much to me, I know that people care and have faith that I can make a difference in the world.

WITH YOUR SUPPORT, I CAN...

I am currently in my last year of school and feeling the excitement of my anticipated graduation. With this scholarship, I will be able to purchase all the books I need for this semester without worrying if I have enough money. Sometimes I don't buy all the books I need because the cost is so high. Having all the resources will allow me to be prepared for all my courses and will relieve some of my stress.

WHY I CHOSE TTUHSC...

I chose TTUHSC because I have always wanted to be a Texas Tech System graduate. When I went to nursing school, I was a first-generation college student and had to pay for my education. I could not afford to attend TTUHSC's nursing program at the time but I always knew I would get a degree from there one day. Because of you, I am able to be in this program and chase my dreams.

BECAUSE YOU GAVE...

Your assistance is helping me to achieve my dream of becoming a nurse leader in West Texas. I am so grateful for the assistance with my education. Emergency Nursing is a passion of mine and I hope to continue working in this region for many years after graduation. Thanks to donors like you, I have the time and attention to focus on my studies and become the best nurse leader I can.

WITH YOUR SUPPORT, I CAN...

The funds from this scholarship will be used to help in covering my tuition expenses. As a wife, mother and nurse juggling school not only adds financial challenges. The DNP program requires time and attention to my studies as well as many clinical hours. Assistance with tuition relieves some burden and allows me to focus more on my studies.

WHY I CHOSE TTUHSC...

I chose TTUHSC for the programs unique style of online work and in person intensives. Getting to network and learn with and from nurse leaders from all over Texas and the US has been one of the best parts of the program. I look forward to the ability to be in person for intensives again.
