BECAUSE YOU GAVE...

There are so many obligations that come with being a Master of Science in Nursing student. Receiving this scholarship is paramount in helping me meet those obligations at such an extraordinary time in our history. This past summer has been one of the most taxing experiences in our lifetime, especially as healthcare providers. By awarding me this scholarship, I am able to focus my time and energy more on becoming a diligent nurse practitioner and less on financial burdens. I am extremely grateful and hope to pay it forward in the future.

WITH YOUR SUPPORT, I CAN...

I am applying the funds directly towards my tuition. At the beginning of the summer clinical staff including myself were furloughed due to low hospital volume. Then, starting clinical has left less time to work and therefore less income. My award is so helpful in relieving the stress of paying my tuition on time.

WHY I CHOSE TTUHSC...

I received my BSN from TTUHSC and had such an amazing experience. It was a no brainer for me when it was time to return for my MSN. I have been proud to be a part of the TTUHSC family and receive much praise regarding the school from other medical professionals in my community.

BECAUSE YOU GAVE...

I just want to thank you for awarding me with this scholarship and helping me along my journey. It has been a hard few years for my family and I ever since my father passed away and your generosity has left me in tears. I hope that I can one day be as generous as you have been to me so that I can help other future nursing students. I will use this scholarship to help push me through nursing school so that I can become the best nurse possible.

WITH YOUR SUPPORT, I CAN...

I am so grateful to have received a scholarship this semester. This will help my financial situation tremendously due to the fact that I have not been able to work as much due to COVID-19. I plan to use this money to pay off my textbooks as well as buy a scrub jacket for the winter. This will also help me cover rent for next month and I cannot thank you enough.

WHY I CHOSE TTUHSC...

I chose to attend TTUHSC after visiting their nursing school simulation center. I was in awe of how amazing the technology was and even more impressed by the kindness of the staff working there. I have also heard on many occasions how amazing the nurses are that come from Texas Tech so I am so proud to be apart of this opportunity.

BECAUSE YOU GAVE...

I am so honored to be trusted with this donation towards my education. After graduating with my BSN, I want to continue my education at the TTUHSC and obtain a masters in psychiatric nurse practitioner. I also have a desire to go on global medical missions trips, after I graduate. Using my education, I want to be able to educate those in underserving countries on how to have healthy lifestyles with the limited resources they have. I feel moved by this generous donation and I wish to find volunteer opportunities around me to give back to the community.

WITH YOUR SUPPORT, I CAN...

Ever since I was 15, I have always had a job. But, I knew with nursing school that it would every difficult for me to work. I transferred to Texas Tech University in the fall of 2019 and then I found out I was accepted into the SON at the Abilene campus. I had to get a loan to cover my lease in Lubbock and my lease in Abilene. My dad alone could not cover these funds. I am using this scholarship to help pay off my student loans.

WHY I CHOSE TTUHSC...

When I first started college, TTUHSC was never an option for me. I never had a desire to be in Lubbock. My freshman year, I started nannying for a family near me. The kids' mom, went to Texas Tech. She then made me fall in love with TTUHSC. TTUHSC has amazing professors; they make you want to learn and help you succeed. Knowing how supportive my professors are, helps me be stronger, to be more successful.

BECAUSE YOU GAVE...

I am honored to receive this scholarship. Thank you from the bottom of my heart. This scholarship will allow me to ensure that I focus on my nursing education and my pursuit into the nursing profession. I love academia and do not plan on stopping here. Upon graduation I plan to work as a RN and apply to a BSN-DNP program to further give back to my community.

WITH YOUR SUPPORT, I CAN...

The funds from this scholarship will help tremendously with my textbook and online resource purchase requirements. Since being a full time student, I am unable to work so it has been a life saver. Nursing education is a life-long journey and I am grateful for receiving this scholarship.

WHY I CHOSE TTUHSC...

I am a TTU alum and when I decided to go back to nursing school, my first choice was TTUHSC. I knew that my education would be top notch and I also knew that the support I would receive would be paramount. The Texas Tech family is just that - family; and family takes care of one another and instills values that stay with you for a lifetime. I have been extremely pleased with my education and look forward to the coming semesters.
