

YOUR *life* • OUR PURPOSE

JULIA COCHRAN
School of Nursing

BECAUSE YOU GAVE...

I would like to thank you for your generous donation towards my education! These funds will allow me to continue my education while also being able to be a present wife & mother for my family. After graduating, I plan to go on to eventually become either a women's health NP or a CRNA with the hopes of starting my career here in Abilene in order to give back to the community that has given me so much over the past few years.

WITH YOUR SUPPORT, I CAN...

I will be using the funds from this scholarship to pay for bills & childcare whenever we may come up short on our finances while I am in school. This aid will allow me to put all of my time & energy into studying & being the best student that I can be because I will be able to feel more secure & know that my family will be taken care of. I am a full time student as well as a young mom, so money can be very tight in our household. This will alleviate a lot of stress.

WHY I CHOSE TTUHSC...

I chose TTUHSC because my husband is in the Air Force so I needed to find a nursing school in Abilene to attend. Out of all of the schools in Abilene, TTUHSC had the best nursing program & although I did not originally seek the school out for any particular reason other than being the best in Abilene, I have fallen in love with it. This is by far the best college with the best professors that I have ever seen. I am so thankful that my journey in life led me to this school & this program!
