BECAUSE YOU GAVE...

I just want to thank you for awarding me with this scholarship and helping me along my journey. It has been a hard few years for my family and I ever since my father passed away and your generosity has left me in tears. I hope that I can one day be as generous as you have been to me so that I can help other future nursing students. I will use this scholarship to help push me through nursing school so that I can become the best nurse possible.

WITH YOUR SUPPORT, I CAN...

I am so grateful to have received a scholarship this semester. This will help my financial situation tremendously due to the fact that I have not been able to work as much due to COVID-19. I plan to use this money to pay off my textbooks as well as buy a scrub jacket for the winter. This will also help me cover rent for next month and I cannot thank you enough.

WHY I CHOSE TTUHSC...

I chose to attend TTUHSC after visiting their nursing school simulation center. I was in awe of how amazing the technology was and even more impressed by the kindness of the staff working there. I have also heard on many occasions how amazing the nurses are that come from Texas Tech so I am so proud to be apart of this opportunity.

BECAUSE YOU GAVE...

My whole life the people around me sacrificed for me and gave me every opportunity to further my education. Receiving this scholarship means so much more because it is not just for me. It is repayment and affirmation for everything those around me have given and make this degree that much more attainable. It is the greatest privilege and honor to be the first in my family to earn a degree and an even greater privilege to have it from TTUHSC. Without the generosity of those scholarship donors, it wouldn't be possible. Thank you forever.

WITH YOUR SUPPORT, I CAN...

The funds from this scholarship will be used for my tuition and whatever remains will be used for my housing. Feeling secure in how I will pay my next rent is a blessing and allows me to fulfill Maslow's first hierarchy of needs, providing me one step closer to self actualization.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of its incredible reputation and strive for diversity. As a first-generation student, it was important to me which university I choose to start my family legacy at. TTUHSC has only exceeded every expectation I have had for a university and has been crucial to my development of who I am today. It has given me community, expanded my knowledge, and grew my heart for the nursing field. I have found indescribable joy, deep satisfaction, and my eternal purpose throughout my time here.

BECAUSE YOU GAVE...

Thank you for your contribution in helping me pay for my education. This scholarship has greatly reduced my financial burden, and it means a lot to me. I hope that one day I can help someone like you have helped me. My plan after I graduate is to become a labor and delivery nurse and care for pregnant women. I will continue to work hard so that I can be a successful nurse.

WITH YOUR SUPPORT, I CAN...

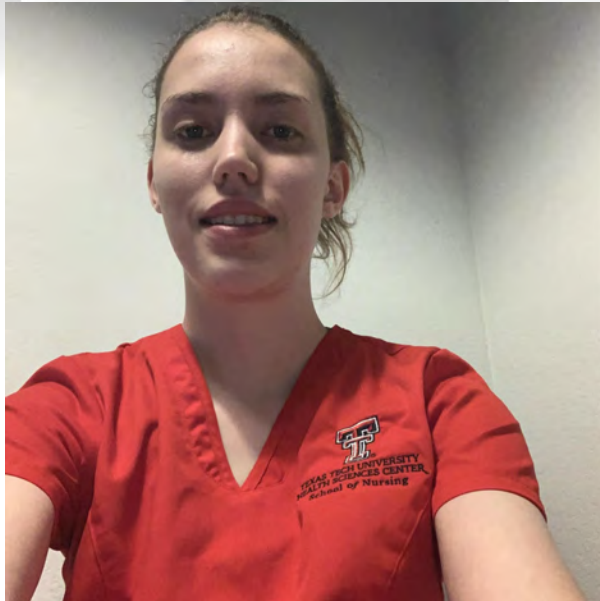

Thanks to this scholarship, I can pay off the rest of my tuition for the semester. This will allow me to afford paying my rent. I will also be able to purchase some books. They will be a great extra resource in studying for my exams and prepping for the NCLEX.

WHY I CHOSE TTUHSC...

I chose TTUHSC because they have a high NCLEX passing rate. It is also one of the top schools in Texas, and I wanted to receive a great education. The professors are some of the nicest people I have met and are always willing to help. I know I can always reach out if I need anything. I believe that having a combination of class, clinical, and SIM is really helping me prepare for my career.

BECAUSE YOU GAVE...

Thank You so much for your generosity. It has made a significant impact on my education. Growing up, the value of education is something that I have understood from a very young age. I come from a single-parent household. My mother didn't have the opportunity to attend college and struggled in her personal and professional life because of this, and ever since I can recall, she reminded my brothers and me that education is the key to success. I plan on making a difference in healthcare and this scholarship is key.

WITH YOUR SUPPORT, I CAN...

This scholarship is a substantial financial blessing that is making it one step easier to achieve my dream of becoming a nurse practitioner. It will aid in covering all my expenses associated with my education. With this scholarship, I will be able to afford my textbooks and cover some of my tuition for this upcoming semester. Lastly, this scholarship will allow me to devote more time to my studies that require extensive studying.

WHY I CHOSE TTUHSC...

I chose the TTUHSC after doing extensive research on the best nurse practitioner program in Texas. One of my co-worker actually graduated from TTUHSC as a nurse practitioner in 2018 and is a huge inspiration as well as mentor. She mentioned how the staff and faculty are professional and welcoming, and most important how passionate they are about wanting every student to learn and pass each course. As I go through this journey as a Texas Tech Graduate Student I know I made the right decision and that Texas Tech is preparing me

BECAUSE YOU GAVE...

Thank you so much for your generosity. Continuing your education can be so stressful, especially financially. By helping me achieve my goal with less financial hardship, I am able to focus more of my attention on studies. This in turn helps me become a better provider for those of my community. That is my ultimate goal, to provide the best possible care to those in need.

WITH YOUR SUPPORT, I CAN...

This scholarship is making it easier for me to focus on my education instead of finances (or at least less). With this scholarship money, I will be able to pay for my books this next semester and my Human subscription. I may also be able to get a new stethoscope for clinicals.

WHY I CHOSE TTUHSC...

I choose TTUHSC for my bachelor's degree many years ago because of its great reputation and proximity to my hometown of Hobbs, NM. I thoroughly enjoyed the RN to BSN program and knew then that I wanted to further my education and for my master's degree and it would be through TTUHSC.
