BECAUSE YOU GAVE...

I would like to thank you for this scholarship. My goal is to provide the service my community needs during this time of need for medical professionals. I am a mother to three-year-old twins and have been involved in the medical field since graduating high school. I find pediatrics an exciting specialty and would like to pursue being a pediatric nurse once graduated. I believe that this scholarship would give me the opportunity I need to focus on my studies while being at home with my children. Thank you again for this scholarship.

WITH YOUR SUPPORT, I CAN...

With this scholarship, I am now able to afford childcare. With my program going online, I needed time to focus on my assignments and this allows me to do so by affording to pay for childcare. I will also be able to afford printing supplies such as paper and ink that is needed now that we are online. This scholarship will allow me to succeed during this time during the pandemic by easing the financial burden which will let me focus more on my studies.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of the SIM center that they offer and the 100% passing rate of the NCLEX. This gives me hope that I am learning from one of the best institutes and will provide me the knowledge I need to be a competent nurse. I also appreciate the program being sixteen months and being a continuous program. My education is preparing me for success in entering the medical field once graduating.

BECAUSE YOU GAVE...

I am extremely grateful for your generous scholarship. It will help me finish strong after many years of struggling emotionally and financially. I plan on becoming a NICU nurse as I discovered my passion to help those beautiful little souls. In the near future I plan to be able to donate for scholarships to upcoming students.

WITH YOUR SUPPORT, I CAN...

This scholarship will allow me to cover extra expenses that the last semester of nursing school brings. I will be able to purchase my cap and gown as well as pay my NCLEX fees. This scholarship is extra special because it is the last help/step towards graduation where all of my hard work will pay off.

WHY I CHOSE TTUHSC...

I chose TTUHSC SON because of the great opportunity it brings to students while remaining close to home and being cost-efficient. It is known that this school has an excellent passing rate for NCLEX and that of course was my main interest when I originally started looking into schools. I made the best decision by choosing this campus with great caring staff.
