BECAUSE YOU GAVE...

I am very grateful for your support. I would like to thank you graciously for your support and donation in order for me to pursue my dreams of becoming a nurse. I want to help others and care for others, and I would not be able to reach that goal without your help. So thank you, from the bottom of my heart.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me pay off credit cards that I used to buy supplemental resources for my nursing program. Books that help me prepare for the NCLEX do not come cheap and most of the books are required for my classes. This scholarship will allow me to fully focus my studies without worrying about any financial hardships.

WHY I CHOSE TTUHSC...

I served in the Navy for 5 years as a Hospital Corpsman. I chose TTUHSC because of the way they value veterans. TTUHSC is one of the very few colleges that takes my education I received while Active Duty and applies it to a college education. The Veteran to BSN was the reason I chose TTUHSC and I am very blessed to have an organization that values my service.
