BECAUSE YOU GAVE...

I would like to thank you so much for giving me this opportunity. As a student, wife and mother of two, I have worried and stressed trying to find extra ways to make ends meet. You have provided me a way to lessen the burden I have had and helped paved my future. Thank you, I will be forever grateful.

WITH YOUR SUPPORT, I CAN...

This scholarship is helping making it one step easier to achieve my dream of become a registered nurse. It will help me cover the expenses that are associated with my education. With this scholarship I will be able to afford my school supplies and books for the upcoming semester. I will be able to devote even more of my time to studying.

WHY I CHOSE TTUHSC...

While being a mother, I have had to encounter staying in the hospital multiple time with my son. I had the pleasure of having several student nurses from TTUHSC and they were a pleasure to be around and very knowledgeable. My mother in law also finished graduating with her masters at TTUHSC. After doing research and applying myself to going back to college, I decided to apply to the program. I know the faculty are personable with their students and root for their success which is one of the main reasons I chose TTUHSC.

BECAUSE YOU GAVE...

I cannot thank you enough for this gift. As a mother of four children, being a full time student is really challenging on all aspects especially financial. This money will help alleviate some of my financial obstacles, as I'm working toward my educational and career goal. Your generosity has inspired me in many ways, and I hope to be able to give back to the community in the near future.

WITH YOUR SUPPORT, I CAN...

The funds from this scholarship will help me pay the credit card I used to pay my tuitions fees this semester. I received some financial aid and it helped a lot, but it was far from enough. Nursing school is very demanding and I barely have time to work. I mostly relay on credit cards to afford daily expenses. This award is just life saving.

WHY I CHOSE TTUHSC...

I have been living in Lubbock for 5 years. From day one when I decided to go back to school, obtaining my admission to TTUHSC was my number one priority. TTUHSC is nationally accredited and has a high reputation for nursing excellence. No need to mention that their campus is one of the most beautiful I have ever seen.

BECAUSE YOU GAVE...

I would like to thank you from the bottom of my heart this scholarship was a true blessing because as mentioned previously I have fought to get here not only emotionally but financially as well. Not only do I want to make my family proud, even though she is no longer here, I want my Mom to be proud of me for pursuing and reaching my goals. This scholarship helps me do that financially and I am so thankful for that.

WITH YOUR SUPPORT, I CAN...

This scholarship that I have received will be used to help pay for some of my tuition. I am currently a mother of 3 small children and I have been trying to figure out how I am going to afford how to reach my goals and how to also maintain our household. This scholarships help lessen the burden tremendously and will help me get closer to being able to pay for tuition.

WHY I CHOSE TTUHSC...

I chose TTUHSC because it has been a dream of mine since I was a small child to attend TTUHSC and get a degree. I have worked hard to get here and have faced many obstacles in the process. I recently lost my Mom due to a sudden diagnosis of stage 4 cancer on Christmas Day 2019, and she passed away February 2020. I cared for her day in and day out while trying to finish my last semester of my 1st bachelor's degree at TTUHSC while also trying to worry about my babies.

BECAUSE YOU GAVE...

Your investment in my education will not go unnoticed by me or my family. As a first generation college student, the financial strain to attend college has been a rollercoaster. My parents do everything in their power to help me finish, but at one point I could be found working 3 jobs while attending 3-4 classes. I want to thank you for helping me finish my degree so younger generations can have a stepping stone to their futures.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me pay for the remainder of my 2021 spring tuition. This will help alleviate the financial strain on my parents as they help me finish college. With this aid I will be able to finish my studies and continue on in the School of Nursing at TTUHSC.

WHY I CHOSE TTUHSC...

Upon visiting TTUHSC, I found that the facilities, faculty, and clinical experience would shape me into a great nurse. I was accepted into nursing school right as COVID-19 hit our community and I was faced with a lot of decisions to make. One of those decisions led me to Abilene, and ultimately back home for the remainder of the pandemic. I'm so grateful to be able to be shaped by TTUHSC while also being close to family. I believe these two things will prepare me for a future as a nurse.
