BECAUSE YOU GAVE...

I would like to say thank you from the bottom of my heart for blessing me with this award. This award will lift some of the financial stress off my shoulders. I am a young mother to a 19-month old attending nursing school, so I found very limited time to work. This award will help me achieve my dreams to go out and make a difference in this world.

WITH YOUR SUPPORT, I CAN...

I don't think I can properly express my gratitude for your support. This scholarship is going to help so much during this final semester of nursing school. I will now be able to concentrate on finishing my last semester strong with some of the stress of paying for school lifted off my shoulders. I plan to use this gift to help pay for the debt that I have acquired over the last year. This will help me prepare for the next step of my journey, a master's degree.

WHY I CHOSE TTUHSC...

Texas Tech University Health Sciences Center has been my dream school since I was a young girl. My father is the biggest Red Raider fan that has walked this Earth. I wanted to set a goal to be able to attend the best University to attain the best education that I could. TTUHSC in the Permian Basin gave me the opportunity to achieve this goal from home. TTUHSC has prepared me to go out into the world to spread kindness and compassion by trying to be the best nurse that I can.

BECAUSE YOU GAVE...

Thank you for being so generous! You are making a big difference in my life and education, and I will be forever grateful. I will put this scholarship to the best of use.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me pay my tuition and afford extra books that are needed this semester. I will be able to focus more of my time on studying and completing school work instead of stressing about finances.

WHY I CHOSE TTUHSC...

I chose TTUHSC after taking a field trip to the campus my senior year of high school. I loved how the simulation center was set up and how involved the staff and faculty were with students.

BECAUSE YOU GAVE...

This scholarship will help pay for additional expenses of childcare and supplies needed during the semester. It will allow me the opportunity to focus on my education without the additional stress of financial burdens.

WITH YOUR SUPPORT, I CAN...

I am overjoyed to have received this scholarship and I would like to say thank you to everyone who made it possible. By receiving these funds, I am able to focus more on my studies and less on finances. You have played a major role in making my dream a reality and I hope to pay it forward in my career and also becoming a donor myself one day.

WHY I CHOSE TTUHSC...

I chose TTUHSC for many reasons. Not only does the staff possess great skills to teach, but they also show success in numbers. The current pass rate for first time NCLEX exam success is at ninety-eight percent. That alone speaks for itself. This program really focuses on taking care of the whole patient by providing holistic care as well as teaching future nurses the importance of communication. If we communicate clearly, concisely and efficiently, there will be less room for errors in the patients' care.

Thank you for providing me with this scholarship. It is an honor to receive, and I promise it will be put to the best of use. You have played a very important part in my education, and I am forever grateful!

WITH YOUR SUPPORT, I CAN...

This scholarship will allow me to pay my tuition and devote my time and energy to succeeding as a future nurse.

WHY I CHOSE TTUHSC...

I like what TTUHSC represents. The culture and values of the university provide something beyond academics, and I knew this was the best place to receive my BSN. Also, I was very impressed by the simulation center. This resource allows for incredible hands-on learning that is not found in many other schools.

BECAUSE YOU GAVE...

Thank you for the scholarship! It means so much to both my family and me. I grew up in a family with nine children, so I know from personal experience how tight money can be. My dad always set a great example to not take anything for granted and to work hard at everything you do. I am beyond thankful for your generosity and kindness. Being awarded this scholarship has been a humbling experience, and I will be forever grateful. I promise to put it to good use by working hard, studying, and persevering through the difficulties that come with being a nursing student. Thank you once again and God bless.

WITH YOUR SUPPORT, I CAN...

This scholarship will benefit me in many ways. It will help me pay my tuition and afford the costs of student living (e.g., paying for rent). This aid will relieve me of so many of my financial worries, which will allow me to focus more on school and become a better student.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of the high standards of the university. It is one of the most difficult nursing schools in Texas and only becoming more competitive. I also chose TTUHSC because during my interview, I fell in love with the professors and the campus. It immediately became a place I knew I could call my second home. Above all, I knew the value of a degree from TTUHSC. The education the school provides is known and respected across the field of health care, and finding a job post-graduation is not difficult.

BECAUSE YOU GAVE...

I would like to say thank you so much for your investment in my education. I am a nontraditional student, mother of two, and pursuing my goal in my early 40s. I've had the goal of receiving my bachelor's degree for many years and am now closer than ever to reaching that goal. It's more difficult to start a family first and then pursue education, but it's all finally coming together for me. I'm extremely proud of myself for this accomplishment and I'm so grateful that you would contribute to my future! I hope to be an asset to my community and my future health care team.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me meet the financial demands of my education. I took out a loan to pay a portion of my tuition, and this money will almost entirely pay that back, greatly reducing the financial burden on my family and myself.

WHY I CHOSE TTUHSC...

I chose TTUHSC because I could pursue a bachelor's degree on a fast track. The program offered allows me to reach my goals faster and with a shorter strain on my time with my family.

BECAUSE YOU GAVE...

I would like to thank you on behalf of my family and myself. This aid will greatly help us and serve to support my academic journey. I hope to one day be able to provide a similar opportunity to a student in need.

WITH YOUR SUPPORT, I CAN...

This aid will make it much easier to pay for this semester's fees. I will be able to ask less of my parents and be more independent. Instead of looking for ways to help them pay the bills, I will be able to focus primarily on my education.

WHY I CHOSE TTUHSC...

TTUHSC is an incredible institution with a very high NCLEX pass rate. I am able to receive a wonderful education very close to home. I know I am being prepared for success.
