BECAUSE YOU GAVE...

I appreciate your generous gift more than you know. I earn the primary income for my household right now, and this, especially in combination with completing household duties and going to school full time, causes a lot of stress in my life. This aid significantly reduces my worries, and I am forever grateful.

This aid will help me pay back student loans. I will also be able to take out fewer loans for this academic year, which is a huge blessing! I will be able to achieve my degree without accumulating crushing debt.

WHY I CHOSE TTUHSC...

I earned my bachelor's degree from Texas Tech University and love the education I received so much! When I decided to return to school, TTUHSC was an easy choice.

BECAUSE YOU GAVE...

Thank you so much! I was very excited to learn that I was selected as a recipient from so many applicants. As a Doctor of Nursing Practice (DNP) student, I plan to continue my leadership in the community upon graduating from the TTUHSC School of Nursing. I am currently starting my last semester and plan to graduate December 2019. I am a first-generation graduate, and thanks to you, I am one step closer to achieving my dreams. Your generosity is an inspiration to me. It is my hope that I too can one day help others in the way that you have helped me.

WITH YOUR SUPPORT, I CAN...

This scholarship will allow me to pursue my academic goals. Upon graduation, I will continue to teach in the Undergraduate Nontraditional programs at TTUHSC School of Nursing. The scholarship will allow me to continue to educate nursing students about the state of our underserved communities through the use of poverty simulation, which is a part of my DNP scholarly project.

WHY I CHOSE TTUHSC...

TTUHSC has an excellent reputation for being a superb school and producing high caliber graduates. Many of my friends have graduated from the program I am currently in, and each of them had nothing but wonderful things to say about it.

BECAUSE YOU GAVE...

I truly cannot thank you enough for your generosity. It amazes me how you could be so kind as to help me reach my goal, even though you have never met me. I hope I will be able to pay forward your good deed as I do my best to treat my future patients with dignity and empathy, while providing them with the best possible care.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me tremendously in continuing my education in nursing. Though I had saved for school for a few years before attending, unforeseen circumstances have caused my finances to be a little tight. This aid has helped to alleviate much of that burden, allowing me to focus on my schoolwork and family, rather than my ability to pay.

WHY I CHOSE TTUHSC...

I chose TTUHSC because I had heard about how rigorous the program is. I wanted to be sure that I was taught everything I needed to know in order to be a successful nurse, even if that meant hard work on my part. In the area, many people have told me about how wonderful TTUHSC nurses are once they graduate and move on to hospitals. I would like to carry on this reputation by being the most caring and competent nurse I can be. I know that my education here will equip me with the knowledge I need to reach this goal.

BECAUSE YOU GAVE...

I'd like to thank you for your generous donation. This contribution has helped me tremendously. Through the late hours of studying and working at the hospital, financial stresses loomed and caused great anxiety. Once I received notification of my selection, however, I had a great sense of peace knowing I would have help with my expenses. This aid pushes me one step closer to pursuing my dream of becoming a nurse practitioner.

WITH YOUR SUPPORT, I CAN...

Thanks to this financial assistance toward my educational expenses, I will be able to focus more on my studies and future goals. I will also have less stress about financial matters, allowing me a smoother transition into my second year of nursing school.

WHY I CHOSE TTUHSC...

I'm originally from a small town called Carlsbad, New Mexico. Since moving to Lubbock, Texas, in 2016, I have loved the city. My fourth grade teacher was a Texas Tech fan and decorated her classroom in red and black with the Double T in every corner. Since then, I have made it my goal to attend Texas Tech University for my pre-nursing courses, and then TTUHSC for the Traditional Bachelor of Science in Nursing program. I fell in love with the architecture, the culture, and the quality education both institutions have to offer! Thanks to your help, I am here, years later, attending my dream school and doing what I love.

I would like to express my sincerest thanks for the support. You are helping me so much in my educational journey, and I hope to pay it forward one day!

As a mother of four young boys, two of them newborn twins, this scholarship will enable me to pursue my dreams of obtaining my MSN in Administration with less financial stress. I hope to use my degree to support my family and improve the health care services in my community.

I chose TTUHSC because my family has a long history of supporting Red Raiders. My grandfather played football at Texas Tech University in the 1950s, and my mother and I completed our bachelor degrees in nursing at TTUHSC. We support TTUHSC because we believe in its academic programs and the top-notch quality nursing education that it provides.

Thank you for your donation, and I promise I will make the best use of it. In the future, I plan to donate in order to provide scholarships for students in need. I hope to provide others the same opportunity that was given to me.

WITH YOUR SUPPORT, I CAN...

The Veteran to BSN program is challenging and demands quite a lot of time. I am honored to be a part of such a wonderful program, but I am left with little chance to work outside of my studies. This scholarship will provide the additional resources required for books and supplies, allowing me to focus on my educational goals.

WHY I CHOSE TTUHSC...

I served in the U.S. Air Force as a medical technician. I was blessed with a supervisor who knew I wanted to continue my education in the medical field. She challenged me to take on the Veteran to BSN program at TTUHSC. It is a fast-paced program that has thus far allowed me to learn and grow so much. I am beyond glad I decided to apply and cannot wait to see what is in store for the rest of the year.

BECAUSE YOU GAVE...

I cannot thank you enough for providing me the funds to continue my education at TTUHSC School of Nursing. You are providing me an opportunity to receive a second bachelor's degree in a field that I am so passionate about. I am very appreciative of your support and belief in me as a student. I am very excited to embark on the next journey in my life as I begin my career in the nursing field. None of this would be possible without you!

WITH YOUR SUPPORT, I CAN...

I have had a few financial hardships in the past year that have put a large strain on my family and me, so every bit of aid I receive lessens my financial burden and makes it easier to succeed in my classes. This scholarship allows me to focus on my academics and less on the stress of figuring out the financial aspect of school. I am confident this aid will drive me to achieve my maximum potential.

WHY I CHOSE TTUHSC...

I was drawn to the Accelerated BSN program for many reasons. The program offers a great education and allows student to obtain a degree faster than other programs. I also liked that I would be in Dallas, Texas, for my clinicals, as this is where I want to live once I graduate. This allows me the ability to make networking connections in the city as I participate. TTUHSC also has a great reputation for its nursing program, and I was very excited to be able to be a part of that!
