BECAUSE YOU GAVE...

Thank you for your kindhearted contribution to my education and developing career in health care. I am a student in TTUHSC's School of Nursing, planning to graduate from the Nurse-Midwifery track next year. Through academic study and clinical practice, I am to cultivate high-quality skills and depth of knowledge in order to serve my community, namely women and families who are typically underserved. In this way, I hope to contribute to addressing health care disparities and creating a healthier society for all of us.

WITH YOUR SUPPORT, I CAN...

This scholarship will enable me to focus on my studies and goal of addressing health care disparities without the burden of financial hardship. I cannot thank you enough for this kind gift.

WHY I CHOSE TTUHSC...

I appreciate TTUHSC's commitment to addressing the health care needs of Texas and the border region through preparing excellent health care professionals and providing care for underserved populations. I appreciate that TTUHSC's provides high-quality education at an accessible cost.

BECAUSE YOU GAVE...

No amount of thanks could properly express what this gift means to me. Your generosity supports and motivates me as I pursue my dreams. I hope to one day have the ability to give back and support students.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me to pay for my last few semesters of my nursing degree. I have managed to make it through one degree and most of my current program with no loans or debt. This accomplishment, however, has required many hours working while attending school. This aid will allow me flexibility and the ability to dedicate considerably more time to academics as I approach graduation.

WHY I CHOSE TTUHSC...

I have attended TTUHSC for all of my collegiate career. I have met many people at the school who have helped to shape me into the student, nurse, and person I am now. TTUHSC School of Nursing is a highly recognized institution, and I am so proud to be a part of such a wonderful school.

BECAUSE YOU GAVE...

I so appreciate what you have done for me. I am the first person in my family to earn a high school diploma, and I will be the first to have a bachelor's degree. I do not plan to stop with this degree. I want to continue my education and advance in my field, and the scholarship you have provided will allow me to do that. My children and I thank you for your generosity.

WITH YOUR SUPPORT, I CAN...

This scholarship will afford me the opportunity to continue my education and not focus on living and education expenses. As a single father, finances can be stretched at times, and I appreciate that one stress can be remedied by these awards.

WHY I CHOSE TTUHSC...

I chose TTUHSC for its accelerated Veteran to BSN program. I could not find a program at other universities that recognized my previous nursing experience in the military. At TTUHSC, I have the opportunity to advance my education at a faster pace.
