BECAUSE YOU GAVE...

Thank you so much for your generosity. I am grateful for your support and aid that will get me one step closer to graduation. Because of your generosity, I will leave school with much less debt than anticipated. I hope to one day be able to impact a student in a similar way. This is truly a blessing, and I cannot thank you enough!

WITH YOUR SUPPORT, I CAN...

This scholarship will help me take out fewer student loans and still afford my final semester of nursing school. I will have the ability to focus on my studies and upcoming graduation instead of financial concerns.

WHY I CHOSE TTUHSC...

TTUHSC believes in adapting to the evolving need of its students and keeping up with medical advances. The school also encourages community engagement as a health care professional. I felt that I could identify with the TTUHSC mission statement because I want to be able to adapt in the medical field and also be influential in the community. Furthermore, TTUHSC offers a BSN to DNP program that was tailored to my goals.

BECAUSE YOU GAVE...

I would like to express my utmost gratitude for this scholarship. My mother was recently diagnosed with cancer, and money is tight in my family. Because of your generosity, I will be able to pay for my education without becoming a burden on my family.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me afford my education and reach my goal of earning my BSN. My parents would love to contribute toward my schooling, but because of their current circumstances, they are unable to help out. Receiving this scholarship is a blessing for which I am very grateful.

WHY I CHOSE TTUHSC...

I completed my undergraduate degree at Texas Tech University and made wonderful memories there. As a member of the Honors College, I had dedicated intellectuals as professors, and I never questioned the quality of education I was receiving. I knew that I would have the same, if not better, experience at TTUHSC School of Nursing.

BECAUSE YOU GAVE...

Thank you from the bottom of my heart for your gift to support my education. This scholarship allows me to focus on my academics, buy hard copies of my nursing books, and overcome the financial struggles I have encountered in the last few months. Thank you again for investing in my future!

WITH YOUR SUPPORT, I CAN...

This scholarship will help me many ways. I will be able to afford transportation to school and clinical sites as well as purchase the Pearson books for class that I was not able to afford before. I have been really struggling financially lately, and this aid is a much-needed boost and sign of encouragement.

WHY I CHOSE TTUHSC...

I originally planned to attend a smaller school but because of a wonderful counselor, I applied to TTUHSC School of Nursing and was able to get in! The education I am receiving at this university is unrivaled, and I know I am being prepared for success in my career.
