BECAUSE YOU GAVE...

As a family nurse practitioner student, I am finishing up my first year of graduate studies. Upon graduation, I plan to work in an underserved area and provide increased access to quality care. I would like to express my sincere gratitude as a recipient of this aid. I am thrilled and honored to be selected as a recipient and am truly grateful for your generosity. Thank you from the bottom of my heart.

WITH YOUR SUPPORT, I CAN...

This aid has lightened my financial burden, which allows me time to concentrate on my studies while still balancing family time and my work life. The generosity and support has encouraged and inspired me even more to help others and give back to the community.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of its excellent academic reputation as well as the school's commitment to its students.
