BECAUSE YOU GAVE...

I would like to say how thankful I am for this scholarship. My family has struggled with finances ever since my dad was diagnosed with cancer, and my parents are not able to help pay for my schooling. This scholarship reduces the student loans I have to take out and alleviates so much stress. I am so grateful for your generosity!

WITH YOUR SUPPORT, I CAN...

This scholarship will greatly help me and prevent me from worrying about finances as much. I rely solely on loans, grants, and scholarships to fund my education. Receiving a scholarship reduces the stress that comes from thinking about the debt I will have when I graduate and how I will be able to pay it off. This aid will put me in a better financial position when I graduate, and for that I am very grateful.

WHY I CHOSE TTUHSC...

I was born in Lubbock, Texas, and have wanted to go to Texas Tech University ever since I was a little girl. When I decided I wanted to go to nursing school and started looking at schools, TTUHSC quickly became my top choice. TTUHSC has an excellent nursing program, and I feel that I am getting a very well-rounded education. I am learning how to collaborate with other members of health care professions and contribute to the health and well-being of my future patients. The program's success is evident especially in the high NCLEX pass rates, and I am proud to be a part of such an excellent institution.
