

Texas Tech University Health Sciences Center
School of Nursing

I want to say thank you so much, from the bottom of my heart. I hope that one day I am able to give back to students through scholarship just as you have done for me.

This scholarship will allow me to focus all my time and effort on school. The aid removes a massive financial burden from my shoulders and gives me peace of mind.

TTUHSC is an incredible nursing school. I have always known I wanted to be a nurse, so when it came time to apply, TTUHSC was at the top of the list. The high NCLEX pass rates are just one example of the high quality education provided at the institution. I know I am being prepared for success.

BECAUSE YOU GAVE...

Thank you so much for your incredible generosity. It means the world to receive this kind of support as I work to earn my degree. I promise to pay it forward to those I will one day serve as a nurse.

WITH YOUR SUPPORT, I CAN...

This scholarship will provide much-needed financial assistance. I will have the freedom to focus on my schoolwork and work fewer hours at the hospital in order to study. Nursing school is my priority, and this aid helps me immensely in my journey.

WHY I CHOSE TTUHSC...

I chose TTUHSC for nursing school because of my wonderful undergraduate experience at Texas Tech University. I grew to love the city of Lubbock, and I learned about the amazing opportunities TTUHSC had to offer. I hope to work in Lubbock after I graduate and help serve the community I care about.
