

Texas Tech University Health Sciences Center
School of Nursing

These scholarships will help me to work less during school and allow me to focus on my studies. I usually work a full time job while attending school full time, and since nursing school is so demanding, I will not be able to work as much during the school year. I can use the money towards tuition, textbooks, and other finances for school.

Thank you for giving me this opportunity to pursue my career in nursing, this would not be possible without the support of sponsors like your organization. I am greatly appreciative of your generous support.

I chose TTUHSC because of the well established nursing school program. I really liked that they had an accelerated program available for TradBSN, and that their NCLEX passing rate was well above other schools.
