BECAUSE YOU GAVE...

Thank you for your donation. This scholarship allows me to fully concentrate on my studies and greatly decreases my financial hardship. Your generosity is an inspiration to me, and it is my hope that I can one day help others in the way that you have helped me.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me pay for my books and tuition for the summer semester. Higher education comes at a great financial cost, and any aid makes such a difference!

WHY I CHOSE TTUHSC...

I chose TTUHSC because it is widely recognized as an outstanding school of nursing. Since finishing my bachelor's degree, it has been my goal to attend this school. I am so happy to finally have the opportunity to be a part of such a great group of faculty, staff, and students!

BECAUSE YOU GAVE...

Thank you for your gift. I am very humbled and appreciative that you believe in my ability and are willing to support my journey. I've had the chance to care for patients in many places, from the streets of San Antonio to battlefields in Afghanistan, and now continue to do so in the clinics of TTUHSC. It is all I have ever wanted to do with my life. I am very proud to receive this scholarship and will strive to maintain the values I learned in the Army: loyalty, duty, respect, selfless service, honor, integrity, and personal courage. I promise to apply each one to my practice, as these values have helped shape me into person I am today. Thank you for your support.

WITH YOUR SUPPORT, I CAN...

This aid will remove so much of my family's financial burden. I will be able to work fewer hours and concentrate on maintaining a high academic standard. My wife and I are expecting our second child in November, and with graduation shortly after, there is a lot on my plate. Expenses are adding up, but this aid will give me peace of mind and allow me to be a good student, husband, and father.

WHY I CHOSE TTUHSC...

TTUHSC was the perfect fit for me. I knew nursing was something I wanted to pursue, but when I found out that TTUHSC offered an accelerated Veteran to BSN program, that sealed the deal. I worked very hard to keep my grades up and get into this program. I had been a critical care LVN in the U.S. Army, and the accelerated course at TTUHSC was perfect for my lifestyle, enabling me to have better control over my schedule. Being in this program is very challenging but I am beyond glad I chose this school!
