BECAUSE YOU GAVE...

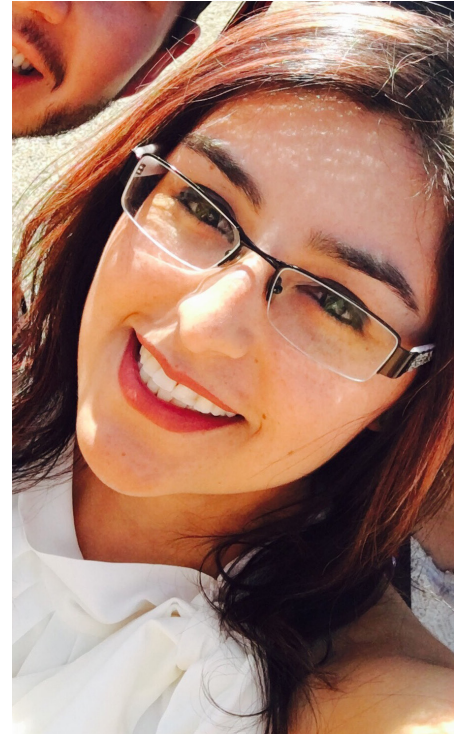

I would just like to say thank you. It is a great blessing to receive any kind of help, and it is the type of help that I would love to provide in the future. It is difficult to worry about my personal expenses and tuition during a challenging program, such as the second degree nursing program. This has been one of my toughest years with having to keep up with school work, clinical, personal life, and my job. Your support is allowing me to chase my dreams, and I could not be more grateful.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me with decreasing the stressors of having to be a full-time student and employee to get my tuition paid. This scholarship will allow me to focus more on my education rather than stress on having to pick up more hours at work. This scholarship has been a huge blessing, and one that I will hope to be able and pay forward to a struggling college student one day.

WHY I CHOSE TTUHSC...

I chose TTUHSC due to the generosity and kindness of the faculty and staff. Throughout my education, I have encountered people who are always willing to help in any way that they can, answer any questions, and help build connections to guide and educate TTUHSC students in the right direction. It is a great environment to learn in and build trusting relationships.
