

Texas Tech University Health Sciences Center  
School of Nursing

I want to say thank you very much for awarding me this scholarship. I am very grateful for this, and I promise I will work hard to complete the nursing program and be a successful nurse.

This scholarship will help me to achieve my goals in nursing school by helping pay tuition so I can be in the required courses to complete this degree. This scholarship also serves as a huge stress relief in helping to complete this program.

I chose TTUHSC because I wanted to earn a degree from a state school that has a high level of education. I wanted my accomplishment in earning a nursing degree to be stand out from other schools because I earned it from TTUHSC.

I am so grateful for this scholarship. Thank you so much for helping me out along the way. God bless.

This scholarship will allow me to continue my nursing school journey to pursue my RN BSN degree. Further more, also continue my education after I have reached my goals.

When deciding what nursing program I would like to go to too, TTUHSC has always been on the top of the list. The skills in clinicals that we are taught are going to make us be the best nurses for our patients, but also the knowledge we learn in the class room helps us expand our education and understand how everything falls in place. I have always heard amazing things about the nursing program TTUHSC has to offer and I had no trouble deciding to come here.
