BECAUSE YOU GAVE...

First, I would like to extend my sincerest gratitude. Thank you for choosing to take in interest in the future of healthcare. Thank you for choosing to support the school that I love and that I've grown to call home. Having had a job since I was 15, I know the value of a dollar and the value of hard work. I take pride in the things that I can pay for myself, but I know I can't do it all. I like to look at my college education as a major investment and would like to sincerely thank you.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me with living expenses during my time at Texas Tech University Health Sciences Center. The money will also go toward any other school expenses I may need at this time. It will help me further my dream and reach my goal of becoming a registered nurse. I have experienced many trials and tribulations in the years leading up to nursing school, so I feel incredibly honored, blessed, and grateful to finally be here. The scholarship makes it that much better, in that a bit of the financial burden of schooling is lifted.

WHY I CHOSE TTUHSC...

I chose TTUHSC for a number of reasons. Everyone in my family is an Aggie (I know, I know!). I grew up loving Texas A&M, thinking I was going to go there and bleed maroon. Well, in a change of plans and somewhat on a whim, I visited TTU with my best friend our senior year of high school and fell in love. I knew that TTU was going to be home for me- and it didn't hurt that they had an amazing health sciences center! Next, I fixated on the TTUHSC, and here I am today.
