BECAUSE YOU GAVE...

Thank you so much for the scholarship, it is very much appreciated! This scholarship is a blessing that will help me take the next step in furthering my education. I have thoroughly enjoyed my first three years of pharmacy school at Texas Tech University Health Sciences Center Jerry H. Hodge School of Pharmacy. I am so thankful that these scholarships are offered because they help us to go above and beyond the minimal requirements and become the best pharmacist we can be.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me to achieve my dream of becoming a clinical pharmacist. Through my time in pharmacy school, I have come to learn and appreciate the variety of clinical roles a pharmacist can take on. Although I am not sure which area of pharmacy I would like to specifically go into, my areas of interest include cardiology, infectious diseases, ambulatory care, and geriatrics. All of these areas require a residency after graduation and this scholarship will make paying for residency program applications and interview a little easier.

WHY I CHOSE TTUHSC...

I chose TTUHSC primarily because of its culture. I interviewed at many pharmacy schools and the inclusive and close-knit culture at TTUHSC, especially at the Abilene campus, was immediately apparent. It was obvious that the faculty and staff were personally invested in their students and peers were taught to build each other up. Additionally, TTUHSC is known to offer an abundance of clinical practice hours to its students, and I knew this would be extremely beneficial in preparing me for my future.
