BECAUSE YOU GAVE...

Your investment in the future of health care workers is such a gift to those who are fighting to ensure the best care is provided to our patients. I can't thank you enough for the generous gift. Your help in enhancing my knowledge and experience is very appreciated by the community and myself as I will use this knowledge and experience to better serve my community. I am honored to be trusted with this investment, and I promise I will not let you down. Again, thank you so much!

WITH YOUR SUPPORT, I CAN...

I am very thankful for this scholarship as it will qualify me for an out-of-state tuition waiver, therefore, decrease my tuition. Although my parents are supporting me financially, it would be great to receive the scholarship to lighten their financial burden. I plan to use these scholarship funds to purchase some study materials that can better prepare myself for my future rotations and NAPLEX exam, which I take after graduation.

WHY I CHOSE TTUHSC...

I attended Texas Tech University for undergraduate studies and graduated with a Bachelor of Arts in Biochemistry. I enjoyed the environment TTU provides for the students at the Lubbock campus. Thus, I was excited to learn that Texas Tech University Health Sciences Center offers a pharmacy program that has the exact criteria I'm looking for. TTUHSC is known for a clear mission of excellence and offers more clinical rotation experience than other schools in Texas. As a TTU alumna, TTUHSC is always my first choice when it comes to my studies.
